RE: Timothy Cark Glass/Touchstone Consulting Group

The S Group has had a pleasurable working relationship with the above referenced firm and would recommend all parties to consider using their services. The knowledge and technical support that Mr. Clark and his associates provide is a valuable tool for all to consider.

We see great thing ahead for this firm and we look forward to a long working relationship with them. All of their clients are in a stronger position with all that they propose to do after consulting with this group of professionals.

Should you require additional information, please contact us.

Sincerely,

Manuel Sanchez

President
