Re: Professional Services -  
TO WHOM IT MAY CONCERN

Dear Tim:

This letter is to confirm that you and I have worked together on multiple projects throughout south Florida, where you and your company ("TCG") have provided research, field support and inspection services related to window installation, performance and adequacy determinations, and water intrusion testing and investigations.

TCG has provided personnel and equipment, as needed, for these assignments.

Sample clients for which Timothy Clark Glass, Inc. has performed the above services include the projects listed below, amongst many others:

- Florida Atlantic University (FAU) - Boca Raton Campus
- Brickell Key One Condominium- Brickell Key, Miami
- Jade Ocean Condominium - Sunny Isles Beach
- Trump Towers - Sunny Isles Beach
- City Palms - West Palm Beach
- Trump Royale - Sunny Isles Beach

Our partnership on these and other projects has resulted in satisfied clients and on-time deliverables. We continue to work with you and value your contributions to our projects.

Sincerely,  
KIMLEY-HORN AND ASSOCIATES, INC.
